A Book for the People.

JUST PUBLISHED,

A New and Practical

FORM BOOK.

CONTAINING Forms of all those legal instruments important to be known

By the People of No. Carolina,

and designed, also for the use of

Justices of the Peace, Sheriffs, Clerks, Constables, Coroners, &c., &c.

compiled and arranged from the best authorities,

By Calvin H. Wiley, Esq.

To which is added, The Constitution of the United States and of North Carolina.

The number of Forms in this work is much larger than can be found in any Form Book heretofore published in North Carolina; and while it is hoped they will meet the wants and exigencies of the public, it is also believed that their accuracy may be relied on, having been examined and approved by some of the most eminent lawyers of the State. From the alphabetical order of the subjects, and the complete alphabetical Index, it will be easy to find any desired matter contained in the book.

The price of the book will be One dollar, for which sum it will be sent to any part of the State by mail, free of postage. The trade will be supplied upon the usual terms. Orders should be addressed to

CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, bad breath, pain in the stomach, picking at the nose, hardness and fullness of the belly, dry cough, slow fever, pulse irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

Hobensack's worm Syrup.

An article founded upon scientific principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where Bowel Complaints and Diarrhoea have made them weak and debilitated the tonic properties of the Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape worm!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length becoming so coiled and fastened in the intestines and stomach effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls 3 times a day; these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of the system is more liable to disease than the LIVER, it serving as a filter to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS and PLANTS furnished by nature to heal the sick: Namely, 1st, AN EXPECTORANT, which augments the secretion from the Pulmonary mucus membrane or promotes the discharge of secreted matter. 2nd, AN ALTERNATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd, A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side back, &c. None genuine unless signed J. N. Hobensack, all others being base Imitation.

Agents wishing new supplies, and Store Keepers desirous of becoming Agents must address the Proprietor, J. N. Hobensack, Philadelphia, Pa.

For sale by all Merchants and Druggists in the county and State. Agents, GEO. HOWARD, Tarboro: Wholesale and Retail Agent for the county. F. S. MARSHALL, Halifax.

Price 25 cts. Each.

TO THE PUBLIC.

I HAVE been informed that a rumor has got into circulation, that I am about to wind up my connection with the

Union Hotel

In this place, and abruptly to leave it. This is to inform my friends, and the travelling public, that the rumor is not true. And that instead of preparing to leave it, I am making better arrangements for their accommodation.

A large two story house is being erected as our addition, and the whole of the buildings will undergo a thorough repair this summer, so that my friends, and all travellers who may call on me will find the best arrangement I am able to make to render their stay with me agreeable and comfortable.

MECHANICS,

Manufacturers and Inventors.

THE Eighth Volume of the SCIENTIFIC AMERICAN commences on the 18th of September. It is principally devoted to the diffusion of useful practical knowledge, and is eminently calculated to advance the great interests of industry—Mechanical, Manufacturing, and Agricultural—the genius and master-spirit of the nation.

It is unrivaled as a Journal of the Arts and Sciences, and maintains a high character at home and abroad.

The Publishers pledge themselves that the future volumes shall at least equal, if not surpass their predecessors. Among the subjects chiefly brought forward and discussed in its columns, are Civil Engineering, Architecture, Railroads, Bridges, Agricultural Implements, Manufactures of Metals, Fibrous and Textile substances, Machinery for the purpose, Chemical Processes, Distilling, Coloring, &c. Steam and Gas Engines, Boilers and Furnaces, Mathematical, Philosophical and Optical Instruments, Cars, Carriages, Water-wheels, Wind and Grinding Mills' Powers, Planing Machines, Tools for lumber, Brick Machines, Farming, Fire Arms, Electricity, Surgical Instruments, &c., besides Claims of all the Patents, Reviews, Notices of New Inventions, American and Foreign. The work is in form for binding, contains several hundred Engravings, over four hundred pages of printed matter, and a copious Index. Nearly all the valuable Patents which issue weekly from the Patent Office are illustrated with Engravings in its columns, thus making the paper a perfect Mechanical Encyclopedia for future as well as present reference.

VALUABLE PREMIUMS are offered for the Largest List of Subscribers to this Volume. It is published weekly, by MUNN & CO., at their Patent Agency Office, 125 FULTON STREET, New York.
